

## Quick Resource Guide #2

# DISABILITY-SPECIFIC RESOURCES

Parents of individuals with disabilities frequently request information, resources, and support regarding a particular disability. One place to start is with the local and national organizations listed below. This document is available online with clickable links at [p2p-co.org](http://p2p-co.org).

### Parent to Parent of Colorado (P2P-CO)'s free services include:

- One-to-one trained support parent matching
- Virtual support groups, book clubs & disability and parenting-related presentations
- Public policy advocacy opportunities
- Private online discussion group comprised of more than 2,000 caregivers
- Additional online forum dedicated to caregivers of individuals with mental health and/or behavioral challenges
